

## iNTRAXX SafePouch Sizing Guide

**NEW!** Jumbo-sized SafePouches are a recent addition to the iNTRAXX range and proving to be popular. Sized at almost double the depth of the SafePak Pouches, the Jumbo range comes in six variations, including two new super-sized models — the Dual Large Vertical Jumbo and 1.5 Large Horizontal Jumbo.

The expanded iNTRAXX pouch range provides customers with exceptional choices and opportunities to organise equipment and supplies exactly how they want within their ambulance, vehicle, station or stores. For more iNTRAXX storage solutions, equipment mounts and accessories ask for the latest iNTRAXX System components Guide, or visit our website.
